ROT AND FUNGAL DECAY PROTECTION

20 Year Limited Warranty

20 year

Warranty period against rot and fungal decay.

BPWood Ltd. warrants its ThermoCraft™ products against rot and fungal decay, provided that any further changes to products as first received from BPWood have been undertaken in accordance with industry standards and installed and maintained according to the guidelines and best practices contained in the ThermoWood® Handbook of the International ThermoWood® Association (ITWA), which can be found at www.ThermoCraft.com

The Limited Warranty is issued to the original owner who has purchased the products through an approved ThermoCraft™ distributor of BPWood, as evidenced through an original invoice to the end user holding the warranty. Ownership of this product warranty may be transferred one time.

Compensation

At their sole discretion, BPWood will replace materials only, with no repair and no cash compensation, for damage which meets the criteria of this warranty. Compensation will be calculated on the remaining life of the warranty based on Table 1. The Warranty covers materials only.
