ThermoCraft™

Bringing Wood Science to Wood People

KNOTTY SOFTWOOD

Nordic Pine.

ThermoCraft™ Nordic Pine

Knotty	8 to 18 ft	HJT-Holz	Finland
SOUND KNOTS	LENGTHS	PRODUCER	ORIGIN

WHAT OUR TEAM KNOWS

We know where Nordic Pine fits.

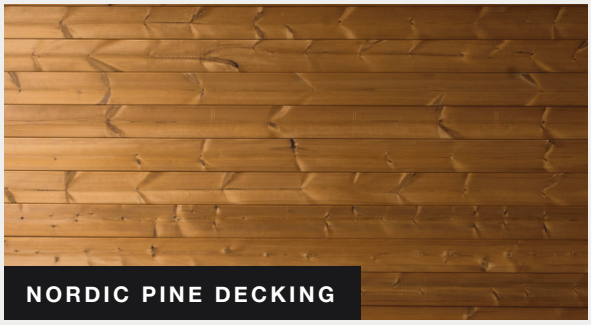

Nordic Pine keeps its sound knots, with lighter and darker lines through the wood. Our team offers advice to you, your builders and your specifiers on grade, profiles, fasteners and coatings.

FOR YOUR BUSINESS

Sauna components in a sauna builder's lengths, plus knotty cladding and decking.

HOW WE SUPPLY IT

Milled ThermoCraft boards and profiles, made to our grade specs, in lengths and packs set to your program.

NORDIC PINE DECKING

MANUFACTURERS AND SAUNA BUILDERS

Send your spec.

We quote ThermoCraft Nordic Pine boards in the lengths and packs your program runs.

	**Ribbed**	5/4 x 4

Sections are schematic. Confirm net sizes and stock with our team.

Custom profiles on request. Talk to our sales team.

HOW TO SPECIFY

1. **Choose** the species and profile.
2. **Confirm** sizes and lengths with our team.
3. **Ask** for samples.
4. **Order** through your stocking dealer or us.

INSTALLATION AND CARE

- Use stainless steel fasteners: the wood is slightly acidic.
- Leave a ventilated, drained cavity behind exterior cladding.
- Decking: face-screw with stainless steel screws, never nails.
- Seal cut ends when the boards are pre-finished, to hold the colour.
- Left unfinished, it weathers to silver grey; moisture drives the change.

COATINGS

ThermoCraft takes paints, oils (not linseed) and waxes. Follow the coating maker's guidance.
